# IPA Executive Director Edward W. Hoes

Illinois Police Association  
Official Journal  
February 2011 Issue

From: Edward W. Hoes  
Executive Director

I want to start out by wishing everyone a Happy New Year and hope that everyone

had a Happy and Safe Holiday Season. The big news is that pension bill SB3538 passed both the House and Senate and will go into affected January 1<sup>st</sup>, 2011. This bill affects NEW law enforcement officers hired after January 1<sup>st</sup>, 2011. I suggest that everyone read this bill for all the information. Sign onto [www.ilga.gov](http://www.ilga.gov) and type in SB3538 for the full contents of the bill.

With the New Year upon us, I want to start out talking about membership. At the beginning of each year, we ask that everyone do their best in getting new members signed. The active membership is at an all time low, under 2,000 members. If we keep losing members like we are doing now, it won't be long before the IPA will no longer exist. All year round, I'm asking for everyone to do their part in getting people signed up. At the Executive Board meetings, Division list are handed out to the Chairpersons asking them to review their lists and contact those who are delinquent and to get these members back on board as well as contacting your local departments asking if we can come and talk with their members about what the IPA is all about. If nothing is done, I don't know what the future of the IPA is going to be. The future of the Association is in your hands.

This year's conference is set for September 23,24 2011 at the Holiday Inn, Rock Island, 226 17<sup>th</sup> Street, Rock Island, Illinois 61201. Room rates are \$70.00 per night plus tax for either single or double. Hospitality rooms will be \$100.00 for the week-end. Hot plates will be allowed. The contact person is Mr. Jamie DeRudder, (309) 749-1212. This year is an election year for both the State and local Division Boards. For those of you who want to run for a State Office, your letters of intent have to be in the main office no later than MARCH 25, 2011. The nominating committee will be meeting at the April Executive Board meeting so the letters have to be in early. If you letter is received after March 25<sup>th</sup>, it will NOT BE ACCEPTED and you will have to run off the conference floor, so make sure you are on time.

Those of you, who want to submit proposed by-law changes at this year's conference, send them to Mr. Jimmie Rogers, 7508 W. North Ave, Elmwood Park, Illinois 60707 no later than May 20<sup>th</sup>, 2011.

On September 25, we held an auction at the Sherwood Youth Camp. Auctioned off were all of the personal items at the camp. The week before the auction, several of us worked all week long in getting the camp ready. For all of you who donated your time, I want to THANK YOU. It's because of your time and energy, the auction was very successful. We made just under \$24,000.00. This money will be used to maintain the camp grounds and making

whatever repairs have to be made, such as fixing the water leaks in the care takers building, insurance still has to be paid each year even though the camp is closed, etc. The camp is still for sale, so if you know anyone interested in purchasing the camp, please have them contact me here at the office. Again thanks to all of you who helped. I could not have done it without you.

We got our first check for the IPA's year round plate in the amount of \$20,000.00. We have sold over 1,300 plates so far. I hope that every member will purchase one of the plates. By purchasing a plate, you will be helping out the Association financially of which everyone knows we can use. Another way of helping out the Association is applying for the IPA credit card. The office has applications for both the year round plates as well as the credit cards. Just call the office and we will be happy to mail you an application and if you need membership applications, just call and we will jump.

In closing, if you have any questions, complaints, suggestions, please feel free to contact me at any time. Thanks for your support and I hope to see you soon. Be safe and God Bless.

Sincerely:  
Edward W. Hoes  
Executive Director  
Illinois Police Association

## IPA President Ray Holman

Hello everyone. I hope all had a Merry Christmas and a Happy New Year and the blessings of the season were bestowed on everyone.

We are about to start another year and we

still are in desperate need of *membership* and ways to bring in money for the organization. Please, let's put our heads together and find a way to support our organization.

Vice-President Mike Perry has reached out to several Police Organizations and academies in an attempt to sign-up new members. If Mike asks for any assistance please step forward and help.

Since my last letter we have lost a good friend and

dedicated IPA member. Dave Ward, secretary of the shoot committee, passed away after a courageous battle with cancer. Dave had a passion for the IPA shoot and was always working on ways to increase the number of shooters. His wife, Pat, was as dedicated as Dave. Please, all keep Dave and Pat in your prayers.

With spring just around the corner another mowing season will be upon us and unless the Camp is sold, there will be mowing that needs to be done. Please find a way to help or find someone or an organization that would like to donate some time and help out. Ed and the "gang" need help. They have put in a lot of time and effort and it is time some younger members step up and help. We owe

a great deal to the regulars that have put in their time at the Camp. The best way to thank them is to lighten their load by getting new and younger participants.

This year, 2011 is an election year, so let's have a strong showing at the Conference. The 2010 Conference was, for lack of a better term, pitiful. We need participation so let's have a strong showing this year.

Please be safe.

## Siren

**By John D. Kaufman, Ph.D.**  
**Illinois Fire and Police Commissioners Association**

Hello and Happy New Year! In this issue of the Siren from the Illinois Fire and Police Commissioners Association (IFPCA), we'll describe the assessment center, used by many commissions and boards as they test candidates for promotion.

Each candidate begins with an in-box including a week's worth of mail, e-mail and phone messages which had piled up. There are various problems to address such as a possible sexual-harassment suit, a difficult employee and a complaint against the department. It is up to the candidate to prioritize each piece under the watchful gaze of the three judges/evaluators and explain his reasons for ranking tasks in order of importance.

Assessment centers are used for promoting to sergeant and lieutenant, and in some instances as part of the hiring process for chief of the department. The assessment center requires the candidates to demonstrate how well they can perform as a manager in simulated job scenarios. Assessment centers are frequently an addition to the traditional, multiple-choice written exams and interviews used to promote officers. The assessment center has a process that brings in consultants with a background in law enforcement who are trained judges or evaluators. The consultants provide real-life situations and evaluate candidate's reactions and professionalism.

Candidates draft memos and make appointments based on what they find most pressing and what can wait. The assessment center provides a sample of what to expect on the new job. Other assessment exercises consist in addressing the department in the chief's absence and approaching an officer who had not been doing his job. As each of the candidates participates in five exercises, a team of three judges rate their performances.

Other activities may include a role-playing situation dealing with an officer who is chronically late or accused of doing something wrong while pulling over a citizen and making a presentation to the city or town council related to citizens' complaints about topics ranging from traffic in the town center, speeding in residential areas, or underage drinking. The candidate then takes questions from the town council who are evaluators or other trained participants.

The candidates also may participate in a tactical exercise and respond to a riot or multi-car accident that forces them to allocate cars and other emergency vehicles. Generally these activities are given rapid fire as though they were happening nearly simultaneously. Traditional testing best reflects whether or not an officer knows the laws, and the assessment center may reveal the clearest picture of a person's abilities. Candidates appreciate that they can show how well they perform under fairly realistic circumstances and situations and that the video taping can help them develop in areas where they need more work.

That is about it for this issue of the SIREN. It's time to start up and continue into 2011. Have a great time, and "be careful out there." February Issue 2011  
Minutes of the December 7th 2010  
Executive Board Meeting

From: Edward W. Hoes  
Executive Director  
Illinois Police Association

The December 7th, 2010 Executive Board Meeting was called to order by President Ray Holman at 9:30am with the Pledge of Allegiance to the Flag and a moment of silence for all of our departed members.

A motion was made and accepted to dispense with the reading of the minutes of the last Executive Board Meeting. Motion passed.

#### Committee Reports:

**Legislative:** Director Ed Hoes reported that pension bill SB3538 has passed both the House and Senate. This bill effected new officers hired started after January 1st, 2010. It's important that everyone read this bill over. This bill has opened the door for a trailer bill in the next session or a future legislative session which might affect our current pensions. To read up on SB3538, go to [WWW.ilga.gov](http://WWW.ilga.gov), type in the bill number, (SB3538) and this will give you the body of the bill.

Discussion: Garnati, Madura, DaRif, Louden, Sprinkel and Pacilli. A motion was made to accept as read.

Motion seconded and passed.

**Finance & Contracts:** Director Ed Hoes read the financial reports provided by Mr. Brud Hall, Senior National Sales Director of Primerica. There being no questions, a motion was made and seconded to accept the read as read.

Motion carried.

**Conference Report:** Next year's conference is set for September 23, 24, 2011 at the Holiday Inn, Rock Island, 226 17th Street, Rock Island, Illinois 61201. Room rates will be \$70.00 per night, plus tax for either single or double. Hospitality rooms are \$100.00 for the week-end and hot plates or heating units will be allowed. The contact person is Mr. Jamie DeRudder at (309) 749-1212. Ladies gifts will be appreciated again if anyone wishes to donate them. This is an election year. ANYONE WANTING TO RUN FOR AN ELECTED POSITION ON THE STATE EXECUTIVE BOARD, MUST HAVE HIS OR HER LETTER OF INTENT INTO THE MAIN OFFICE NO LATER THAN MARCH 25, 2011. No letter will be accepted after this date. You can still run off the conference floor if your letter is late or if someone decides to run for an office. I hope to see everyone there.

Motion was made to accept the report. Seconded and passed.

**Death Benefit Committee:** Past President Jimmie Rogers reported that there were 33 claims investigated. Two claims were paid out at \$400.00 and 28 were paid at \$600.00 for a total of \$16,400.00. Five claims were denied for various reasons. A lengthy discussion by the committee took place regarding "in the LINE OF DUTY" death benefit qualifications. The committee studied policies from various police Organizations and Associations and adopted a policy affected as of this date. Anyone wishing a copy of this policy can contact the main office.

A motion was made and seconded to accept the report as read. Motion carried.

**Constitution and By-Laws:** Past President Rogers reported that anyone wanting to submit a by-law proposal for next year's conference must have these changes in to him by May 20<sup>th</sup>, 2011. Mail these proposals to Mr. Jimmie Rogers, 7508 W. North Ave, Elmwood Park, Illinois 60707.

**Sherwood Youth Camp Board of Directors:** Director Hoes reported that there was an auction held at the camp on September 25<sup>th</sup>, 2010. In order to prepare for this, Ed asked for volunteers to come out and help the week of the auction. As usual, very little participation was offered by our members. Ed stated that he was very disappointed with some of the Sherwood Youth Camp Board members who didn't even show up or how didn't even bother to call stating that they were not able to attend.

## Minutes of the December 7th, 2010 Executive Board Meeting Continued

It was the old timers who came out and did all of the work. It took a toll on some of us and some are still hurting. I do want to Thank those members who took time out away from their families to come out and us and make the auction a complete success. Items auctioned off were all of the personal items. The money raised will help us to maintain the grounds, pay for the caretaker, to continue paying for the insurance on the property and for any repairs that have to be made. The camp still has to be maintained and look good in order to be able to sell the camp. I was out at the camp on November 18<sup>th</sup>, and there is still a lot of stuff that was left behind and needs to be thrown out. Sometime this Spring, there will be a need for volunteers to help in cleaning out the remaining items from the buildings and cabins. The date of this work weekend will be posted at a later date. Motion to accept the report as read. Motion was seconded and motion carried.

**Membership Committee:** Vice President Mike Perry reported that he was invited to the Irish American Police Association and to Triton Jr. College and spoke with the members about the IPA. Mike stated that he handed out various applications to these groups. Mike also stated that he will be attending a meeting with the Polish American Police Association at a later date. Director Ed Hoes read the numbers on the membership. The Association lost over 700 members in 2010. If this continues, that IPA will no longer exist in three years. Ed asked that everyone try their best in signing up new members. Ed handed out to the Division Chairpersons a list of the Delinquent members of their Divisions asking them to take these lists back with them and to try to contact these members to see if they would like to continue paying their dues. The future of the Association is in the hands of its current members. Motion was made and seconded to accept the report. Motion carried.

**Special Membership:** Director Ed Hoes received a letter from Past President Ken Thomason, requesting that Mr. Gary Maness receive an Honorary Membership. Mr. Maness has helped out the Sherwood Youth Camp by donating large dumpsters at the camp at no expense to the Association. After a lengthy discussion, a motion was made that the Sherwood Youth Camp Board of Directors present Mr. Maness a plaque of appreciation. The Blackhawk Division stated that they would invite Mr. Maness when the plaque is ready. A date will be announced at a later day. Motion was seconded and motion carried. Director Hoes will have a plaque made up.

**Public Relations Committee:** No report

**Shoot Committee:** Vice President, Randy Benson who was excused from the meeting, sent his report to Director Hoes. A copy of the report was given to the board members for their review. Being no questions, a motion was made and seconded to accept the report as written. Motion carried.

**Law Enforcement Memorial Committee:** Chairman Bob Madura reported that since the last Executive Board Meeting, the memorial committee has met two times with the next meeting set for January 19<sup>th</sup>, 2011. Next year's memorial is set for May 5<sup>th</sup>, 2011. At this time there appears to be 10 current names and at least 5 historic names going to be added in 2011.

**Special Olympics Committee:** No report

**Scholarship Committee:** Director Ed Hoes reported that all applications should have been in the hands of the Division Chairpersons by November 1<sup>st</sup>. During the November Division monthly meetings, a random drawing should have taken place and that this winning application should have been sent into the main office or to the Scholarship Committee Chairman, Mike Jackson, no later than December 15<sup>th</sup>. A meeting of the committee will be held sometime during January. A motion to accept the report was made. Motion seconded and carried.

**Old Business:** Director Hoes reported that the IPA has sold over 1,300 year round license plates. The Association will be receiving its first check sometime after the first of the year. Anyone wanting an application for the plate can find them on the front table. Also there are membership and credit card applications on the head table. All of these help support the Association and Ed hopes that everyone will help support the IPA.

**New Business:** No report

**For the Good of the Order:** Blackhawk Division Chairman Bob Nichols stated that their Holiday Party is set for February 19<sup>th</sup>, 2011. Anyone wishing to attend should see Bob after the board meeting.

Ed wished everyone a Merry Christmas and to have a Safe and Happy New Year. There being no further business, a motion was made and seconded to adjourn. Motion carried and the meeting closed at 11:45AM.
