IPA Executive Director Edward W. Hoes

Illinois Police
Association
Official Journal
May 2011 Issue

From: Edward W. Hoes
Executive Director

There is a lot of legislation being introduced by our legislators in Springfield in reference to Downstate Police and Downstate Firefighters' Pensions that is of great interest to everyone. Please review these bills and if you need more information, go to www.ilga.gov for a complete copy of the bills.

HB146: Pension Code-State Systems and IMFR: Would amend the General Assembly, IMRF, State Employees, State Universities, Downstate Teachers and Judges Articles of the Illinois Pension Code. This would cap the highest salary for annuity purposes, final rate of earnings, final average compensation and final average salary for current members, participants and participating employees of the affected systems at \$106,800 but authorizes that amount to be annually increased by the lesser of 3% or one half of the annual percentage increase in the consumer price index for the 12 months ending with the September preceding each November 1st.

(Sponsors: Rep's. Franks, Feigenholtz, Yarbrough and Jones)

HB149: Pension Code Election of Benefits: This would require current participants in the State funded pension and retirement systems to make a one-time, irrevocable election of one of the following: (1) the traditional benefit package under the applicable Article of the Pension Code, (2) the existing benefit package for new hires or (3) a self-managed plan (if made available by the participant's employer). This sets forth the requirements for the self-managed plan and provides that if such a plan is available it is the default plan if a participant fails to make an election. In the Articles creating the State funded pension and retirement systems, provides (1) that beginning in the fiscal year 2013, the State's required contribution is the greater of 6% of the applicable employee payroll or one half of the actuarially determined normal cost of the benefit package for the new hires and (2) that the required employee contribution will be based on the benefit package elected by the participant.

(Sponsors: Rep's. Cross, Winters, Senger, Pihos, Nybo, Harris, Tryon and Leitch.)

HB144: Pension Code-Dissolution of Funds: This bill would allow the corporate authorities of a municipality, by resolution or ordinance, to dissolve the Downstate Police or Firefighter Pension Funds established by the municipality, if an independent auditor has certified to the authorities that the funds have no liabilities, participants or beneficiaries entitled to benefits. It would require the corporate authorities of the municipality to re-establish those funds if a police officer or firefighter of the municipality seeks to establish service credit in the fund or if re-establishment of the fund is required upon a former police officer or firefighter's reinstatement of creditable service. It would suspend the duty of the corporate authorities of a municipality to establish and administer a Downstate Police or Firefighter Pension Fund while the fund is dissolved.

(Sponsor: Rep. Franks)

HB206: Pension Code-Article 3-Duty Disability: This would provide that the monthly pension of a police officer who receives a line of duty disability pension who was hired on or before January 1, 1979, who received a line of duty benefit on or after January 1, 1993 with at least 14 years of service and who applies within 6 months after the effective date of the Amendatory Act, shall be increased in January of the year following the year he or she attains age 50 by 3% of the original grant of pension for each year he or she received pension payments and in each January thereafter, the police officer shall receive an additional increase of 3% of the original pension.

(Sponsor: Rep. McGuire)

IPA Executive Director Edward W. Hoes - Page 2

Illinois Police
Association
Official Journal
May 2011 Issue

From: Edward W. Hoes
Executive Director

HB1872: Pension Code-Transfer-Article 5 to Article 3: This authorizes a person, for 60 days after the effective date of the Amendatory Act, to transfer up to 10 years of creditable service from Article 5 Police Pension Fund to Article 3 Police Pension Fund after paying to the Article 3 fund an amount that is determined by its board to be equal to (1) the difference between the amount of employee and employer contributions transferred to the fund from Article 5 fund and the amounts that would have been contributed had they been made under Article 3 plus, (2) interest on the difference at the actuarially assumed rate, compounded annually, from the date of service to the date of payment.

(Sponsor: Rep. Kosel)

SB1679: Pension Code-Article 3 and 4: This would combine the Downstate Police, Downstate Firefighters and IMRF into one Pension Fund, the IMRF Pension Funds. This would terminate the authority of the Boards and gives the IMRF the right to make your investments and control your funds.

(Sponsor: Sen. Schoenberg)

SB206: Pension Code-Transfer Cost-Article 7 to Article 3: This provides that if as a result of the publication of the 2010 federal census data, a city, village or incorporated town is first recognized as having a population of 5,000 or more inhabitants and is therefore required to create a Downstate Police Pension Fund, then an employee of such a city, village or town who transfers credit from an IMRF fund to that fund shall pay true cost of establishing service credit in that fund. It specifies that if the board of trustees of the applicable Downstate Police Fund determines that the amount transferred is less than the true cost to the pension fund of allowing service credit to be transferred, then the amount of creditable service the police officer may establish shall be reduced by an amount equal to the difference between those 2 amounts, as determined by the board.

(Sponsor: Sen. Risinger)

There are two bills that are of interest that could hurt bargaining units that everyone should be aware of.

HB1673: This bill would amend the Illinois Public Relations Act and provide that arbitration panels hearing security employee, peace officer, firefighter and paramedic disputes must not take into consideration the ability of a unit of government to raise taxes or impose new taxes when determining the financial ability of that unit of government to pay the costs associated with those employees' wages and other conditions of employment.

HB1849: With respect to peace officers, firefighters and security employees, this would provide that in the absence of an agreement, an arbitration panel's consideration of the unit of government's ability to meet costs is limited to existing revenues. This also requires the arbitration panel to consider the impact of an arbitration award on the municipality's staffing and funding of other operations.

(Both of these bills are sponsored by Rep. Winters)

And last, there are two bills, HB462 and HB148, that pertain to Concealed Carry that many of you have asked about.

In other news, this year's Annual Conference is set for September 23 and 24, 2011 at the Holiday Inn, Rock Island, Illinois. Room rates are \$70.00 per night, plus tax. This is an election year so I hope everyone will come and vote for the candidate of their choice. Call the Holiday Inn at (309) 794-1212 and make your room reservations now. See page 8 for more information.

And last of all, I hope that everyone is doing their best in signing up new members. Membership is down and we need your help. This is your organization and it's only as good as you make it. Spread the word and let's keep that Association the best Law Enforcement Organization in the State.

If you have any questions, complaints or suggestions, please feel free to contact me at any time.
Be careful and God Bless.

Respectfully:
Edward W. Hoes
Executive Director
Illinois Police Association

IPA President Ray Holman

By the time this goes to print, spring will be upon us and I'm sure most everyone will be occupied with those projects and activities that come with this time of the year. In January of 2011 I attended the Funeral Services of Past President Irvin "Irv" McDougall. Irv's passing is yet another reminder that time stands still for no one and the IPA as an organization continues to age also. Please keep Irv and his family in your prayers.

Chief Jody O' Guinn, Carbondale P.D., has been nominated and has stepped into the role of Shoot Secretary. First Vice President Benson has been working with members of the Shoot committee in order to help Jody assume his new duties.

Please have a little patience and provide as much support as necessary during this transition. We will be looking at cost saving measures which will include evaluating the types of awards given at the Shoots.

With summer coming everyone will busy with yard work, ball games, vacations and all the other joys of summer. Please be careful and enjoy these activities. With this in mind, mowing season will be upon us at Sherwood Camp also. This means we will need as much help as possible keeping the Camp looking good in an attempt to get it sold. This is not and should not be a function of the home office, Ed Hoes and his family, or the Camp Board, so please monitor the IPA website and let's get some help out there on work weekends.

Support the IPA by being active. A few years ago a conscious decision was made that we needed to change the image of the IPA from that of being a retirement club or organization to one representing ALL Police Officers throughout Illinois. With that we now have three out of the four President and Vice Presidents still on the job, which hopefully sends the message that the IPA is not a retirement organization. With that comes some drawbacks. The Officers that are still working cannot devote as much time to the IPA as an Officer who is retired. This comes not as a lack of interest or desire but as a matter of practicality and reality. There are only so many hours in a day and even though most of the Supervisors of our Elected Officers are understanding, there have been instances where the "job" must come first. This is or should be understood. All of us who have or are Serving and Protecting understand the need to prioritize not only our calls on the job but our lives and time as well. With this in mind please know that your Officers need the support of the membership when it comes to helping out either at the Camp, or on a project, or by soliciting and signing new members.

Again I must touch on membership. Our Paid Up Life members far outweigh our Active memberships. PLEASE find a way to at least sign up one new member. As stated many times in the past if we start there we can easily double our membership. That was my goal when elected and it is not happening. The IPA needs your help.

Lastly this is an Election year so we need to have a better showing than in years past. Our Conference gets smaller every year and is not representative of an Organization of this influence. We need to step it up and support our candidates. I hate to sound like a broken record here people, but we need to turn this Association around, and we need to start immediately.

Thank you, and have a safe and enjoyable summer.

Please be safe.

Ray Holman

Cops Corner

Siren

By John D. Kaufman, Ph.D.
Illinois Fire and Police Commissioners Association

OK, it's time to pull over for a few minutes to read this issue of the Siren. The information from the Illinois Fire and Police Commissioners Association (IFPCA) this time focuses on our upcoming seminar in Champaign on April 29, 30 and May 1. Training as always is the major purpose of the seminar, and we are offering four training modules in addition to our general sessions. Persons attending will include fire and police commissioners, fire and police chiefs, and the IFPCA staff. Invited speakers will be leading the general sessions, and as always, the IFPCA attorney, John Brohier, will be conducting a session presenting recent case law affecting our responsibilities, and a review of recent and current legislation.

The training modules that will be presented, their description and staffing are listed below:

Module I presents Board Duties and the Entry Level Police Officers/Fire Fighters Selection Process. This module presents ways in which to recruit candidates to ensure diversity of applicants, description of using not only print media but the internet as well, what kind of concerns for applications so that they ask for appropriate information and no more, and fees if any are required. Generally, commissions distribute many more applications than are completed and returned. More commissions are providing for online applications, too. The module is important in order to consider the attrition between applications distributed, those returned, and the number of candidates appearing for initial testing. The module is led by Janelle Crowley: (MA, MBA; IFPCA member, Commissioner for the McHenry County; Sheriff's Merit Commission; Instructor for CTI, Past President, Illinois Fire and Police Commissioners Association, Certified Assessor for the Commission on Accreditation for Law Enforcement Agencies) and Sheila Y. Chalmers: (MS. Past President, Illinois Fire and Police Commissioners Association; Instructor for CTI, Director and Executive Member and Commissioner for Matteson) Thomas Kucharski (IFPCA member, Staff member for CTI., Member of the Board of Directors of the Illinois Fire and Police Commissioners Association, Police and Fire Commissioner for Chicago Ridge Illinois).

Module II is in regards to Promotional Testing: Methods, Procedures and State Statutes for Police Commissions. This module is specific for both non-home rule and home rule communities, and for police testing. There are differences for firefighters' promotions which are taught in Module IV (see below). The module includes how to identify testing vendors, what components are suggested for promotional testing, how to develop, conduct and score oral interviews, and other aspects of testing commissioners need to be aware of for valid and reliable results. This module is led by yours truly, John Kauffman, Ph.D. (IFPCA member; Instructor for CTI, Director and Executive Member of the IFPCA, Commissioner for Carol Stream Illinois & Past President, Illinois Fire and Police Commissioners Association) and Robert Johnson, M.S. (Past President of the IFPCA, Instructor for CTI, Director and Executive Member and Commissioner for Yorkville, Illinois).

Module IV presents how to conduct Entry Level and Promotional Testing for Fire Fighters as there are different rules and procedures to consider, both for entry level and for promotions. The instructor is John Nixon (Instructor for CTI, Retired from the Streamwood Fire Department as Chief in 2006, Member of the Illinois Fire and Police Commissioners Association, Fire Commissioner for the Huntley Fire Protection District).

Module VII is a very popular module developed to present Logistics of the Commission Operations and the Duties of the Commission Recording Secretary. This module provides guidelines on how to take care of records, conduct the various processes of the commission and be certain to conduct the assigned responsibilities in a way to ensure fairness to candidates and keep the commission in compliance with the State Statutes. There is always time for discussion of local board concerns during this module. The content is therefore aimed directly at those attending. The instructor is William J. Egan who developed the module from his experience as a commissioner (Illinois Fire and Police Commissioners Association, Associate Member, Instructor for CTI, Chairman of the Commissioner Training Institute Executive Committee Member of the Illinois Fire and Police Commissioners Association. Fire and Police Commissioner for Oak Lawn, 1998 – 2009. Commissioner Training Liaison to Police Training Institute, University of Illinois at Champaign). We invite you to come and join us, and to watch these columns for more information and follow-up.

That is all for this column, so start your engines and be careful out there.

IPA 110th Annual Conference Registration Forms

IPA 110th Annual Conference Pre-Registration Form

ILLINOIS POLICE ASSOCIATION

110th Annual Conference

**September 23 & 24, 2011, Holiday Inn Hotel & Conference Center

"An Organization For The Professional Law Enforcement Officer"

Missing an Old Friend?

The Illinois Police Association office maintains records of all members. Out of state member information is available from the office. Please contact the IPA office during business hours for more information.

The out of state member list is a comprehensive listing of retired members across the United States. Contact the office to find past colleagues and send a friendly note to catch up on the good old days.

Are you a Paid Up Life Member?

Why not continue to support the IPA? Ask your Division Chairman about converting your membership back to Active status. It's a Win, Win Deal. Your membership Dues help support the IPA and your local division.

Fly Your Flag Every Day
