**IPA Members:**

We have had an incredibly busy start to the year.

Thanks to some excellent work by IPA Attorney Pacilli, there were successful negotiations for the sale of our building to Elmwood Park at a great (and fair) price for us and the village. That had a cascade effect of numerous things that have to be done to complete the sale and moving the office to a new location. Based on a request from a member of the Executive Board, I'll be sending an email giving progress updates. If you'd like to receive that email, please send me a note to:

[president@illinoispoliceassociation.org](mailto:president@illinoispoliceassociation.org)

There has been a request to try to schedule a final gathering at the office for people to stop by and have a moment of fellowship and remembrance with our fellow IPA members. There will soon be an email sent out to gauge interest/attendees for a meeting. If you receive emails from your division, you will get an email. If you do not, please send a note to the above email address, call the office or call me to make sure you get notified.

In addition to that project, we have the annual audit coming up soon and are preparing for the conference. President Seychel has selected the Embassy Suites in East Peoria for this year's conference; there will be more information coming soon. The dates for the conference are:

September 18<sup>th</sup> & 19<sup>th</sup>, 2026.

As always, if you have questions, need information, or have input on association matters please email me at the above address or call me at: 618-559-4763.

From: Joseph Seycel IPA President

I hope everyone has had a good new year start. I had the honor of being sworn in as IPA President at the December 2025 Executive Board meeting, and then the honor and privilege of swearing in the rest of the executive board members. I look forward to serving as president of this association for the next two years. I am realist, a family man, and I currently work full time, and hope we can make some changes to grow this organization.

I would like to thank all the members of the Executive Board past and current, for their service to the IPA, your dedication and service is essential and appreciated. I would like to say thank you Director Calvin Stearns for stepping up and taking this position and carrying on the load of this title.

Now since I have taken over as the president, I have been involved with selling our property and we have cut some costs including unused phone lines and not paying a salary for a director. We are still looking for permanent solution to the position of Executive Director.

I look forward to hopefully making better and greater decisions for this organization for the next two years. If any member needs to ask me anything, please reach out.

## IPA Legislative Update

From the Desk Of  
**John Millner**

As of the writing of this article, the legislature has a little over 3 days until the scheduled May 31 adjournment. There are still several large issues left to tackle. The largest being the budget. At this point there is no agreement between the 2 legislative leaders and the Governor as to a resolution to the financial conditions in Illinois. The Governor has proposed what some legislators are considering cuts. However, there is not a real appetite to raise revenue to cover the potential cuts.

**Budget Update:** The Governor's Office of Management and Budget (GOMB) and the legislature's Commission on Government Forecasting and Accountability (COGFA) released updated revenue projections for the current and upcoming fiscal years. For FY 2026, GOMB increased its revenue forecast by \$445 million to \$55.673 billion, while COGFA decreased its prediction by \$75 million to \$55.908 billion—a difference of \$235 million. Deputy Governor Andy Manar noted that stronger individual and corporate income tax receipts have not fully offset declines in sales tax revenues and lower federal reimbursements.

On May 7, each chamber compiled the Governor's introduced budget into one amendment in each chamber, positioning it for future consideration. The leaders issued a joint statement at the time indicating the move was to allow adequate public viewing and input. HFA #1 to HB 131 (Welch) was subsequently assigned to the House Executive Committee, but has not been considered by the committee at this time. SFA # 1 to SB 2512 (Sims) was filed, but remains in the Committee on Assignments.

GOMB also provided an update on state expenditures. Spending for the Department of Healthcare and Family Services is currently \$167 million over budget, or 2.3% over. Another challenging area: state employee group insurance, whose expenses exceeded its budget by \$87 million (3.9%).

*Continued*

## IPA Legislative Update

Pension expenditures have also increased by over a billion dollars; however, the GOMB analysis clarifies that this surge is due to the timing of pension system prepayments.

The comptroller's office is unable to make "annual pension contributions above the certified amount for a fiscal year," as noted in the explanation.

The Senate approved 66 House Bills on an Agreed Bill List. The House did not use an Agreed Bill List and instead considered each bill individually. In total, the Senate approved 17 Senate Bills and 140 House Bills in the week before session is scheduled to end. The House, meanwhile, approved 108 Senate Bills and 1 House Bill. Both chambers will continue to move legislation through the process until adjournment.

**Artificial Intelligence/Data:** The Senate approved an AI/Data package, sending it to the House for consideration.

**BUILD Housing Package:** The Senate filed a housing package that incorporated some of the Governor's proposals. There continues to be substantial opposition to the concept of overriding a municipalities' control on housing zoning.

**Mega Projects/Chicago Bears:** The Senate did not act on the Mega Projects legislation, which would provide incentives for large-scale projects, including efforts to relocate the Chicago Bears to Arlington Heights. There is still hope that some form of solution for the Bears will happen. The latest rumor is that there may be a watered-down version of the House bill that only solves the issue for the Bears.

We continue to monitor all law enforcement issues that may arise. Because of the timing, the only issues that should be allowed to move will be by way of amendment. We continue to monitor and read every amendment that is filed and will work with leadership to make sure they are involved should any last-minute issues arise.

## IPA General Counsel Update

Hello everyone,

By chance, I was viewing an online continuing legal class that us attorneys need to do. The subject matter of this one in particular I thought would be nice to share with our group. The class focused on the Illinois safe gun storage act and other FOID card issues. The following is a summary of the class given, and I would like to give credit for most of the content to the presenters, Attorneys Dan Cummings and Paul DeLuca of Wheaton.

By now most of you have probably heard something about Illinois Senate Bill 8 (the Safe Gun Storage Act) which the Governor recently signed into law here in Illinois. I want to take a few minutes and give you a plain-language rundown of what it actually requires, because this is going to affect just about every one of us who keeps a firearm at home. And that, I am guessing, is just about all of you.

Under the new Illinois law, you are required to store your firearms safely when a child under 18, what the law calls an “at-risk” person, or anyone else who is prohibited from possessing a firearm under state or federal law could access them. The law also significantly tightens your reporting obligations when a gun is lost or stolen. If you discover a firearm is missing, you must report it to local law enforcement within 48 hours. That is down from the previous 72-hour window. Miss that deadline, and you are looking at civil penalties.

Now, I know some of you are going to ask me about LEOSA, the Law Enforcement Officers Safety Act, and whether that changes things for retired officers. A fair question. LEOSA is a federal law, and it does give qualified retired law enforcement officers the right to carry a concealed firearm across all 50 states, regardless of state permit requirements. That is a carry right, and it is a good one to have. But here is the important distinction: LEOSA addresses your right to carry. The Illinois Safe Gun Storage Act addresses how you store firearms at home. These two laws are dealing with completely different situations, and LEOSA does not give you any exemption from Illinois storage requirements. Federal officers, think FBI, DEA, U.S. Marshals, are in the same boat. LEOSA covers their carry rights too, but they are still subject to Illinois law when it comes to storage in their Illinois homes.

So the practical takeaway is straightforward. If you have grandkids who visit, an at-risk family member in the house, or frankly any situation where a minor could get to your firearms, make sure they are locked up. A quality gun safe is the safest bet. The law specifically requires a locked container that makes the firearm inaccessible or unusable to anyone but you. A trigger lock may satisfy the “unusable” standard, but the statute’s “locked container” language is not entirely settled. So, if a gun safe is not an option for you, I would suggest not to rely on a trigger lock alone. Most of us already keep our firearms secured, now it is simply the law, and the tightened reporting deadline for lost or stolen guns is worth taking note of.

Hope everyone has a safe and enjoyable summer.

As always,

**Edward C. Pacilli**

## IPA 2025 Scholarship Award Program

### ILLINOIS POLICE ASSOCIATION, INC. 2026 Scholarship Award Page 1

By **Michael Jackson**  
**Chairman Scholarship Committee**

In 1994 the IPA Board decided to implement the annual scholarship award program. There were two dominant reasons for this decision:

1. To offer a recruitment incentive to prospective new members of the Illinois Police Association.
2. To reward our current members for their continued commitment and support for the organization.

On January 16, 2004, the Scholarship Committee held a meeting and reviewed the guidelines of the program. These guidelines were approved by the IPA Executive Board on April 6, 2004 to administer the program in a more efficient and effective manner for the benefit of our membership.

This information is being published to educate applicants and as a guideline for division officers during their review and processing of all required documentation.

All division chairmen will receive a copy of these guidelines and are expected to follow them to that their applicants receive proper consideration for the award. Any and all questions regarding eligibility should be directed to the corresponding division chairman. The scholarship committee of the Illinois Police Association will ultimately review all submitted applications for compliance and has the final decision regarding the awarding of scholarship funds.

The scholarship committee has worked hard to ensure the success of this ongoing program and asks that the following rules are strictly followed. Thank you for your consideration.

#### **Eligibility:**

1. A child (natural or legally adopted), regardless of residency, of an Active or Active Paid Up life member or a stepchild who resides in the same household of the IPA member. The applicant must be under the age of 24 as of November 1 of the corresponding scholarship year.
2. The member must be in good standing with the IPA for least one year prior to the date of application.
3. The scholarship applicant must be a full time student carrying a minimum of 12 credit hours per semester or an equivalent number of hours per quarter in an undergraduate capacity.
4. Full time nursing students who meet the above criteria are eligible to apply.

#### **Persons who are not eligible:**

1. IPA members or spouses.
2. Students in a trade, industrial or graduate school.
3. Part time students carrying less than 12 credit hours per semester or an equivalent number of hours per quarter.

Continued on next page

## IPA 2025 Scholarship Award Program

### ILLINOIS POLICE ASSOCIATION, INC. 2026 Scholarship Award Page 2

Eligibility will be predicated upon each division's roster of Active or Active Paid Up life members as of May 1 of the current year. No transfer of members to a different division will be made within 12 months prior to the deadline for application submissions (November 1 of each year) for the purpose of benefiting in the scholarship award program. Applicants may apply to only one division.

#### Scholarship Expenditures:

1. The current award will be \$500.00 per school year per student. Each eligible student in a family may apply.
2. Award winners may reapply annually.
3. The Illinois Police Association, Inc. will remit one lump sum payment of \$500.00 to award winner. The payment will be made after the division chairman submits the winning application with all necessary supplementary documentation to the IPA office. All winning applications will then be reviewed and ultimately approved by the scholarship committee.
4. Each of the 13 divisions of the IPA will receive one scholarship annually (if so submitted) at a cost to the association of \$6,500.00

#### Procedure for Selection:

All applications will be collected and screened by each division for eligibility and the submission of all necessary documentation. After proper verification the division board will prepare the names of all candidates for a random drawing. The winner will be drawn by the chairman at a regular meeting of the division no later than the 30th day of November in the corresponding year. The chairman will also draw the name of the one alternate winner who will not be announced.

Should the announced winner be ineligible for any reason then the alternate be awarded the scholarship and announced at a later date. Divisions should retain all submitted applications in event that the alternate is also found ineligible and yet another winner may have to be selected.

The winning application with all supportive documentation will be forwarded to the IPA office by the division secretary no later than December 15.
